A Tradition . . .

Tradition—the handing down orally of customs, beliefs, etc. from generation to generation; a story, belief, etc. handed down this way.

—Webster

Mississippi College
Library

"The standard is high—higher than that of many much older institutions; but our determination is that this college shall be among the first or it shall be nothing." This was the goal of the founding fathers of Mississippi College as stated in the first MC catalog.

A Tradition of Excellence

Traditions are valuable yet often costly benefits. To build and maintain them, effort, skill and discipline are required. Traditions established through years gone by are what make Mississippi College special, for into it have gone the hard work and sacrifices of thousands of people who have believed in its potential.

Our Mississippi College of today is the product of these traditions. Chartered as Hamstead (Hampstead) Academy in 1826, renamed Mississippi Academy in 1827 and Mississippi College in 1830, the school has been owned by the Mississippi Baptist Convention since 1850. It is the oldest senior college in the state and was the first co-educational college in the nation to grant degrees to women.

Mississippi College's graduates are known around the world. She has granted diplomas to at least six governors, universities, and at least that many presidents of junior colleges. A president of the American Classical League and a president of the American Mathematical Society claim MC as their alma mater. The first flight that man made to the moon was directed by a 1957 graduate of Mississippi College.

As the 1985 students of Mississippi College, we are privileged to share its traditions, to maintain them, and develop new ones. Freshman Orientation . . . Rush . . . I Love America Day . . . Sadie Hawkins Day . . . Homecoming . . . Candlelights . . . Nelson Clock . . . Dr. Chester Swor . . . Derby Day . . . Spring Fever Day . . . Chapel . . . these traditions are the life of Mississippi College.

A Tradition of Excellence.

Excellence—the fact or condition of excelling; superiority; something in which a person or thing excels; a particular virtue.

—Webster

. . . of Excellence

Since 1826, Mississippi College students, administrators, and faculty have striven to excel. The numerous honors, awards, and accomplishments of Mississippi College are proof of their success.

Mississippi College ranks in the top eight percent nationally among baccalaureate institutions on the basis of graduates who go on to earn doctorates. The success rate of students in the pre-medical program is nearly double the national average.

Not only does Mississippi College excel academically, but it excels in leadership and involvement. The Executive Council of the Student Body Association has provided strong leadership and has served as a hub for student activity. The Mississippi College Circle of Omicron Delta Kappa, a national leadership honor society, has won the Outstanding Circle of the Year Award three times in the four years that the award has been in existence.

Our athletes have made the name of Mississippi College noted across the South in the sports realm. Many of them have continued their careers in sports after graduation, bringing reknown to their alma mater. The MC cheerleaders have brought home top honors as well from the national meet. Overall, the performance of Mississippi College has proven that we are indeed carrying on its tradition of excellence.

The words on the Mississippi College archway express the excellence of MC in this way: "Enter here to increase in stature, knowledge and wisdom. Depart to share your culture with all mankind."

A Tradition of Excellence.

MC Salutes America with Flying Colors

I LOVE AMERICA DAY

An unusually cool October 1, 1984, provided the setting for the fourth annual campus-wide celebration of patriotism. Organized by Christy Taylor, the ceremonies began with a special treat—a slide presentation entitled "America" by Reverend Robert Wall. This was followed by the ascension of a hot air balloon, with favors and prizes being dropped to spectators. At noon, an old-fashioned picnic was held on the quad, with hot dogs, hamburgers, apple pies, and entertainment by the Air Force Band from Keesler Air Force Base. The picnic was followed by a political forum, with representatives for Reagan, Mondale, Cochran, and Winter delivering short but informative messages. BSU convened at 6:15 with a program of patriotic emphasis. Later, after the flag lowering ceremony, "I Love America Day" concluded with an ice cream social on the quad. Festivities were terminated with a brilliant fireworks display directed by Steve Holmes.

Watch Us Soar in '84 HOMECOMING

Mississippi College. A tradition of excellence. Homecoming 1984 was a chance to reminisce about that tradition. Alumni came from all around to participate in the many activities. The week of Homecoming gave the students an opportunity to show their spirit by dressing up as Choctaws and Nerds and by decking out in blue and gold. Truth's performance to an enthusiastic crowd Thursday night and Friday's pep rally added to the anticipation of the eventful day to come.

Saturday brought a buzz of activity beginning with the Annual Fun Run early that morning. Club and departmental displays gave visitors a glimpse of campus activities. Class reunions brought old friends and classmates together. Mother/Daughter and Alumni Teas held by the Social Tribes were a close time of fellowship. Noon brought an Alumni Awards luncheon where the Golden Arrow and the Alumnus of the Year awards were presented.

A special part of the Homecoming celebration was the parade. Classes and clubs worked long hours preparing floats to be judged. The Homecoming Queen and Class Maids highlighted the procession. Immediately after the parade came the Patio Show. It featured various entertainment for the crowd's pleasure and amusement.

The climax of the day was the Choctaw's victory over the West Georgia Braves, 52-24. During halftime, Mississippi College was well represented by the 1984 Homecoming Court: Freshman maid Dara Delk, Sophomore maid Angela Smith, Junior maid Tamera Butler, Senior maid June Goodwin, Maid of Honor Linda Brown, and Queen Dana Smith.

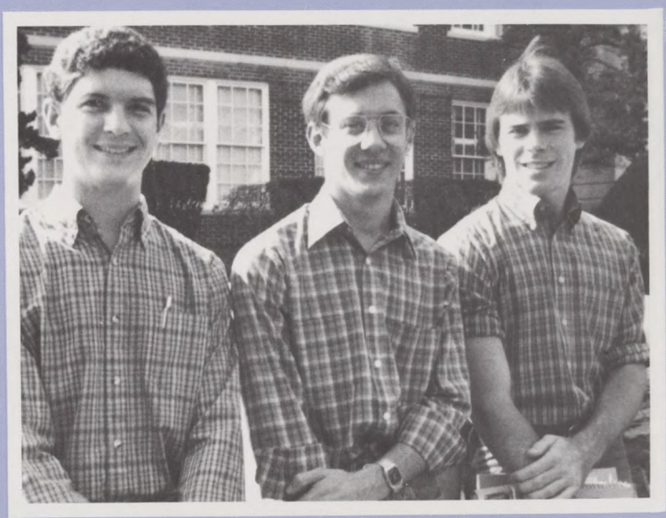

Sunset brought a closing of festivities for this annual event when alumni "come home" to their alma mater and remember the tradition they had been a part of at Mississippi College.

A Day at the Reservoir SPRING FEVER DAY

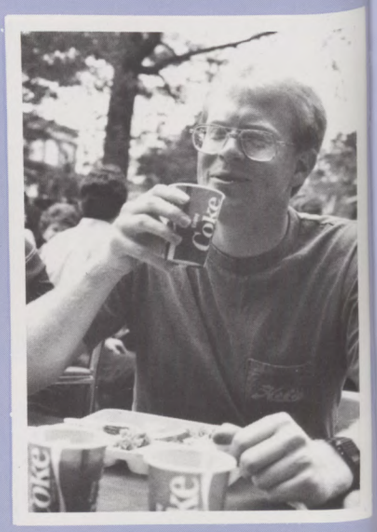

Around the first of April every year an epidemic plagues the MC campus. All students surrender in some way and become victims of the dreaded "Spring Fever." Symptoms of this pestilence include laziness, the inability to concentrate on any kind of schoolwork for more than five minutes and the strong desire to get out into the sun and have a good time. To acknowledge the onslaught of this annual epidemic, MC students plan a special day each year when people do nothing but have fun from 11:00 a.m. until midnight.

In 1984, the festivities began on schedule, April 12th, with a Hawaiian luau. Students sampled sliced ham, chicken and rice, and pineapple before they participated in the one-mile and three-mile runs. At 1:00 students packed and headed to the Reservoir for fun and games. Late in the afternoon an airband contest was held and "Wally and the Patrol" was declared the winner. A concert by Mac McInally followed.

Even though many students were cured of the fever on that day, there remain a few poor souls who are continually plagued with the symptoms of laziness, inattentiveness in class, and the desperate need for fun in the sun.

What a Feeling MISS MC PAGEANT

For the contestants and for the spectators in the audience, the 1984 Miss Mississippi College pageant exemplified its theme, "What A Feeling!"

On the night of February 24, 1984, eighteen girls from Mississippi College walked down the pageant runway. Every girl was unique in her own way concerning dress, swimsuit, and talent, but each held one big dream that was the same for all, the dream of being Miss Mississippi College.

Only one girl could walk away with that dream fulfilled. In 1984, it was Patty Lewis, who represented the men of Circle K. However, it took more than just dreams for Patty to win the Miss M.C. title. It took a lot of hard work offstage before the pageant and hard work during the pageant.

For the contestants who didn't get to take the walk down the runway at the end of the evening's events, participation in the pageant wasn't a lost cause. Selected as alternates were Tamera Butler, representing Nenamoosha, first alternate; Allyson Allen, representing Kissimee, second alternate; Julie Allen representing the Student Nurses Association, third alternate; and Angela Traylor, representing Concert Choir, fourth alternate. Two special awards presented during the evening were the Scholarship Award and the Congeniality Award. The winner of the Scholarship Award was Renee Gilmore, representing Laguna Social Tribe. Winner of the Congeniality Award was Jana Newton, representing the Junior Class.

The pageant was, as in recent years, under the excellent supervision of Mrs. Eva Hart, faculty advisor for the event. Mrs. Hart has received wide recognition for her success in directing the pageant through the years.

The experience offered to all the girls a chance to form close friendships and lasting memories. For everyone involved, the evening was a culmination of many efforts and the fulfillment of a dream.

"Friends are friends forever"—Laguna's coke party showed that and stirred the curiosity so that rushees couldn't wait to see what the Laguna Social Tribe had in store at their rush party. Excitement filled the Hall of Fame Room as the 1984 rushees were escorted in. Dana Smith played Dorothy as LT enacted their version of "The Wizard of Oz." Laguna wanted each girl to look deep inside herself and determine which tribe would suit her best.

After all the doors were signed and the voting was completed, the forty who wished to become Laguna members found themselves face down on the floor peering underneath doors waiting for bids. The exuberant pledges ran screaming with excitement to the Vesper Room where other new "mice" and the actives were waiting. After singing the Laguna song, the new Lagunas went to the infamous mud. Rooms decorated by Big Sisses awaited the girls, along with signs and gifts. Big Sisses are special to the pledges because of their friendship and their interest in the new members.

The LT pledges dressed like mice, doctors, and tourists during pledge week, and survived the "Mouse Mafia," only to face Mouse Court.

Lagunas really care about each other, and they help each other out no matter what. The 1984 pledges saw these qualities in the actives and rushed this tribe because they knew that Laguna friends WILL be friends forever.

As the spotlight welcomed the rushees into the Hall of Fame Room, the Swannanoa actives prepared for the skits in which their true spirit was brought out. The skit contained comedy, romance and music; but most of all, it revealed how like a family Swannanoa is. The party ended with an excellent slide show which portrayed the closeness of the group and with an invitation to the rushees to become a part of the family.

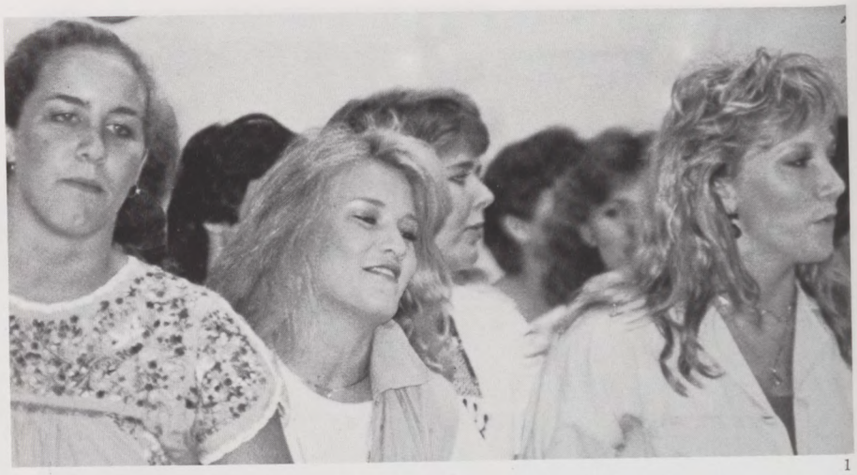

Those who accepted the offer found themselves standing in front of Provine Chapel after receiving bids on Squeal Night. Four men dressed in green jumped out of the bushes and blindfolded the novices. They were carried to a room in the chapel and were greeted by the members of ST. The Tribe's verse and creed were read, and then the "night owls" dug into the sumptuous food. At the end of the party the group sang the tribe song and gave friendly hugs.

Squeal Night was the beginning of the Swannanoa family. The next five days found the new ST's wearing unique costumes to classes, such as clowns and owls. The rushees received a lot of personal attention, for Swannanoa is truly a happy, Christian family.

Kissimee rush was a great experience for the actives and the rushees alike. It was heart warming to see and feel a special bond between the members of this tribe. The 1984 pledges' first impression of KT was the coke party. Pledges had a chance to visit with each one of the girls and the beaus. They were so impressed not only by Kissimee's friendly spirit, but also by their elegant appearance enhanced by the candle lit pathway.

Then came the rush party. The theme of Kissimee's rush party was "A New Beginning." The skit told about a girl leaving home for college and some of the things she would have to face in the first few weeks of school such as: Rush, Squeal Night, walking in front of the wall, playing in the cafeteria, and all the new guys on campus. Pledges found that it was just as KT said as they began anew with Kissimee.

Even through the ordeal of pledge week and Elephant Court, the pledges were glad that they rushed Kissimee. The rushees believed that they made the right choice in rushing KT and that it is only the beginning.

For the NT pledges, rushing Nenamoosha was one of the best decisions they made. NT really impressed the rushees at General Rush with their spirit, red t-shirts, and fire bell. Next, came the coke parties and the moment they walked into the NT room they felt as if they were at home. The welcome the rushees received was true and sincere. The rush parties were so much fun and at the NT rush party, the pledges saw so much love and affection within the actives that many knew that Nenamoosha was the tribe for them.

At first, some of them were afraid to go sign doors, but the Nenamoosha actives were super friendly and made the rushees feel loved. It was important for the rushees to make sure that they signed all of the doors so that they would not be cut. This really made them appreciate getting their bids on Squeal Night and finding that they were new members of Nenamoosha.

There is something special about Nenamoosha that the rushees love, and they rushed NT so that they could be a part of that special something. Nenamoosha is red roses, hearts, teddy bears and us.

The Year of the Mouse DERBY DAY

On April 6, 1984, the Derby Day title was snatched from the hands of Kissimee Social Tribe by Laguna Social Tribe. KT had reigned for three years in a row, but in 1984 LT dominated.

With eyes on victory, Laguna set forth with a spirit of determination and teamwork to pursue the goal set before them. President Mittie Smith said, "If each girl does her best, then the whole team will do great," and that is just what they did. This tribe, never lacking in team spirit, filled Alumni gym with excitement.

The competition was strenuous. The social tribes competed in a relay race with balloons, a flour and penny race, a four-legged race, a basketball shot, an egg toss, and an attendance count. A jump rope and dress relay for the tribe presidents and vice presidents, as well as a marshmallow and whipped cream event for the beaus, preceded the final event of the day—a tug of war contest. In these events, Laguna captured five first places, one second place, three third places, and one fourth place for a grand total of thirty points. KT was second with twenty-eight points, Nenamoosha was third with twenty-four points, and Swannanoa came in fourth with eighteen points.

Delta Sigma Pi, one of the campus business fraternities, is to be commended for organizing the day's activities in such a superb fashion. They supplied each tribe with two coaches who supported the team with encouragement and guidance. Though participants were physically drained, spirits were soaring, and Derby Day ended, but a whole new year began . . . "The Year of the Mouse."

Much Ado About Nothing **Shakespeare Festival**

The Seventh Annual Shakespeare Festival, under the direction of Dr. George Pittman, head of the English department, began in February with the production of Shakespeare's play MUCH ADO ABOUT NOTHING. However, it was not until April twenty-fifth that the Festival got fully underway. A birthday party was held for William Shakespeare in the Globe. Cake and punch along with the opportunity to talk to William Shakespeare himself were offered to all who attended.

On the twenty-seventh of April the annual Madrigal Dinner was held in the Hall of Fame Room. Fine food and entertainment assured the evening's success. The Mississippi College Madrigal Singers, directed by Dr. James Glass, performed Renaissance dances and sang while accompanying themselves on authentic instruments from the Renaissance period. Members of the English and Drama departments presented selections from HAMLET and THE TAMING OF THE SHREW. It can be said that if Shakespeare had really been here and had seen the hard work put in by all the departments, he would have smiled on the occasion.

Ghosts and Goblins

Thursday, October thirtieth, was the eve before ghosts and goblins came out of hiding. Dusk had quickly settled on the pleasant day, and through the darkness, activity could be seen on the patio. It was the SBA Halloween Carnival rising after another year of lying in obscurity.

One could keep very busy going from Civitan's egg throw, Kissimee's cakewalk, ODK's dunking tank, Laguna's jail, the Freshmen's fortune-telling booth, Mortar Board's sponge toss, and to other fun-filled activities.

The carnival, coordinated by the SBA, gave various clubs on campus a chance to raise a little money and a lot of Halloween spirit.

S.S. Agape Boat JEREMIAH PEOPLE COURT

The Jeremiah People opened to a full house in Nelson Auditorium on Tuesday, January 29. Expectations were high as the audience was ready to climb aboard "Agape Boat II," the sequel to last year's first "cruise."

The zany crew members started the musical off with the song "We've Been Waiting for You." The eventful trip began with various conflicts prevailing among the passengers. They came to get away, but their problems still shadowed them; perhaps were even intensified by their isolation on the ship. The crew was plotting mutiny, a couple's marriage was on the rocks, a young girl was enstranged from her father, an old Reverend learned to love without being so strict on himself and others, and a Christian contemporary singer struggled with his identity as a public figure, yet at the same time a private individual.

There were many songs and moments of laughter—such as the passengers wobbling their way through "Jazzercise." Also, there were touching moments when one by one, the passengers came to grips with their problems. The passengers faced their lives ahead to the tune of "Goodbye to Yesterday." They left the boat refreshed and wiser after learning more about God's true "Agape" love—unselfish, brotherly love.

CRISIS IN LEBANON

This year seemed to have more than its share of memorable events. Every day seemed to have a new craze, crisis, or unusual happening to satisfy the media. The crazes came in many forms. There were fitness crazes, computer crazes, break dancing crazes, and trivia crazes. The producers of computers have become capable of producing small units at minimal cost, thus making their products feasible for individual ownership. Several movies have been released that were immediate favorites: "Ghostbusters," "Beverly Hills Cop," "Indiana Jones and the Temple of Doom," and "Gremlins." A new rating system was also adopted. The PG-13 rated movie was inserted between PG and R rated movies.

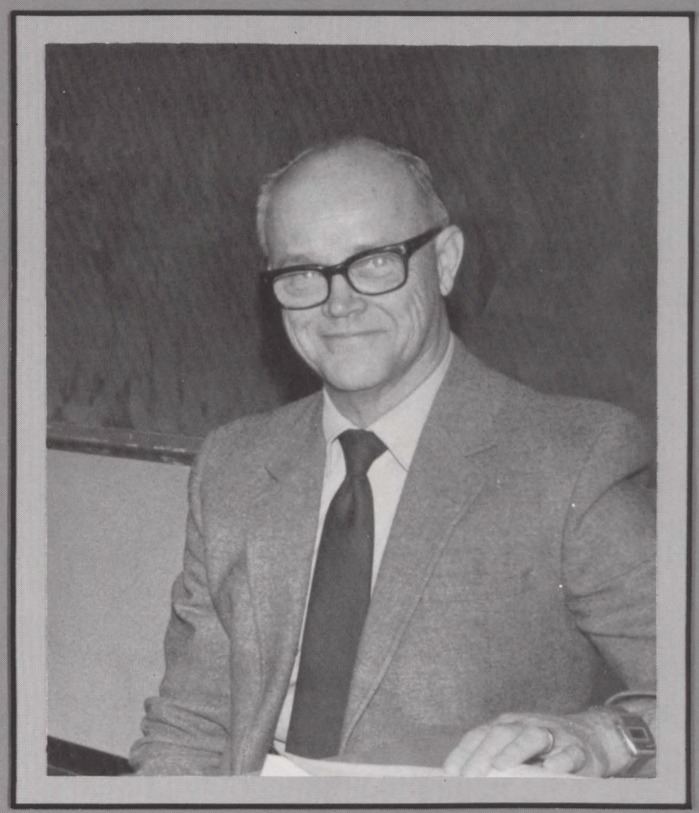

International events included the birth of Prince Charles' and Lady Diana's second child, Harry, the winter Olympics held in Saravejo, and the death of Soviet leader, Yuri Andropov. There was no shortage of national events either. Los Angeles was the site of the summer Olympics which brought attention to gymnast Mary Lou Retton and track stars, Mary Decker, Carl Lewis, and Edwin Moses. An MC graduate, Larry Myrick, participated in the Long Jump competition. A new event to these Olympics was the Synchronized Swimming competition. For the first time in American history a Miss America was removed from her position. Suzette Charles replaced Vanessa Williams as the 1984 Miss America. In medical news, a little boy fell into a frozen lake and "drowned." The medical team was able to warm his body slowly and bring him back to life. Baby Fae made national news with her baboon heart transplant which was successful. This was also the year of "Nutra Sweet." Practically anything that was sweetened with sugar could now be found with Nutra Sweet. Clara Peler immortalized the words, "Where's the Beef?"

Many of the happenings of the past year were so critical that they could be termed crises. The people in Ethiopia and surrounding countries were rapidly starving to death. A crazed madman walked into a California McDonalds and killed 21 people, while another went into a schoolhouse shooting several and killing one.

Above all, this past year was a year of American unity. Americans reached deep into their pockets to finance the restoration of the Statue of Liberty. Politically, the Democrats chose to run Walter Mondale and Geraldine Ferraro, over Gary Hart and Jesse Jackson, against Ronald Reagan and George Bush. The Republicans won by one of America's largest landslides.

All these things are now taken for granted as we look back upon them. These events are now and forever a part of our history.

"Even brown monkeys can learn calculus" DR. JAMES V. BURNSIDE

Mississippi College—A Tradition of Excellence.

The faculty and administration of Mississippi College are some of the top educators in the nation. What makes the faculty at Mississippi College different from others is the personal concern that each professor has for each student. The 1985 TRIBESMAN is proudly dedicated to Dr. James V. Burnside for his innumerable contributions to Mississippi College.

Dr. James V. Burnside, Professor of Mathematics, has been at Mississippi College since the fall of 1966. A native of Good Hope, Mississippi, and 1 of 9 children, Burnside attended Carthage High School. Afterwards, as a member of the Air Force, Burnside served in the Korean War. Dr. Burnside returned to continue his education after the war.

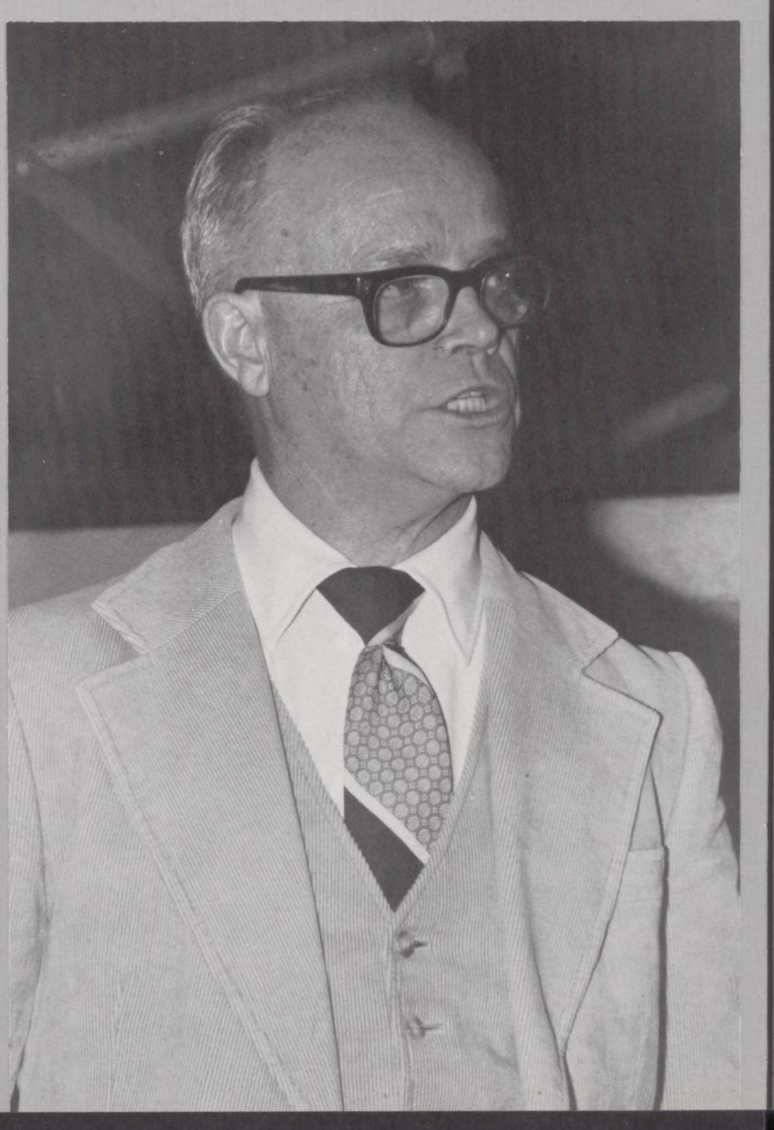

From his home in Good Hope, Dr. Burnside went to Louisiana to attend Louisiana State University. Burnside earned his Bachelor of Science and Master of Education degrees at Louisiana State University. From LSU, Dr. Burnside went to the University of Mississippi to earn his Doctorate of Education.

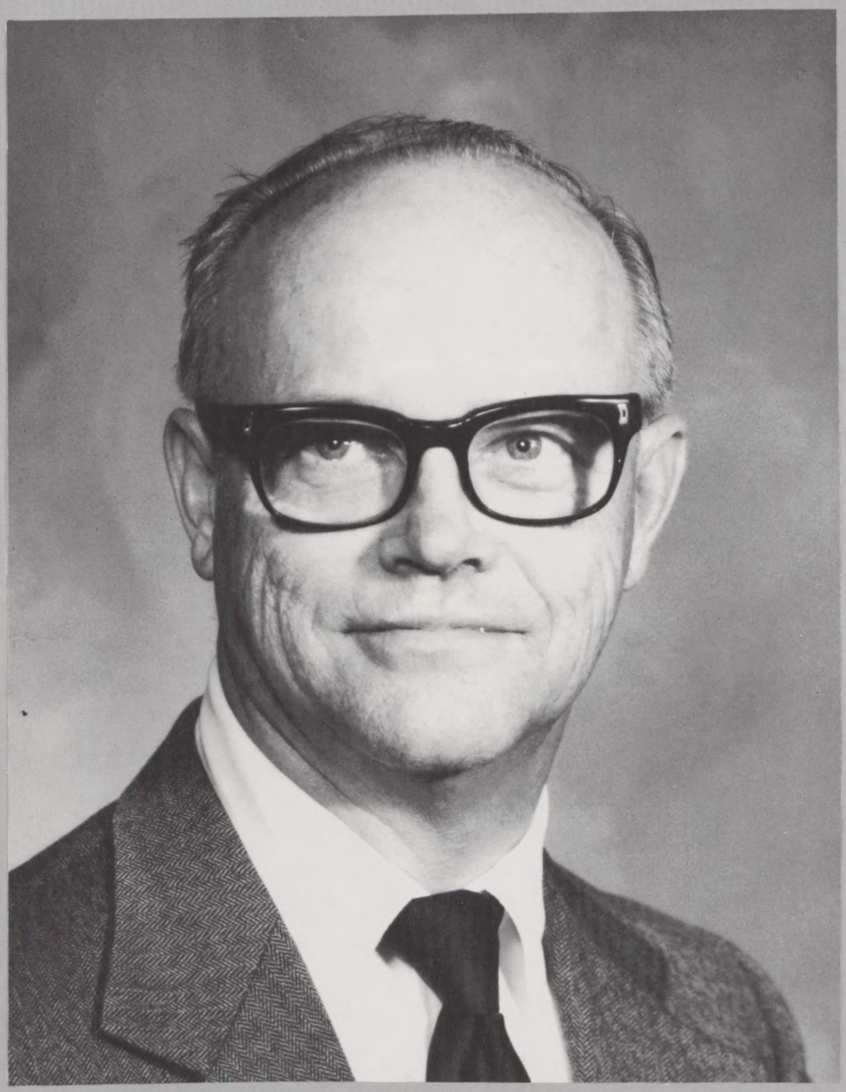

Before joining the faculty of Mississippi College, Dr. Burnside taught Junior High Mathematics and High School Mathematics and Physics in Shreveport, Louisiana. After moving back to Jackson to teach at Provine High School, Dr. Burnside met his future wife, Lucy, who was teaching Mathematics at Belhaven College. Lucy Burnside continued her education to earn her doctorate and has also become a Certified Public Accountant.

At Mississippi College, Dr. Burnside initiated the Cooperative Education program because of his concern for students after graduation. He is currently the Director of Cooperative Education. During this year, Dr. Burnside served as Chairman of the Department of Mathematics and Computing Science, Coordinator of Academic Computing, Coordinator of Faculty Evaluation and Development, Chairman of Title IX Committee on Women's Athletics, Chairman of Council on Academic Computing, member of Council on Continuing Education, member of Academic Freedom Committee, member of Council on Programs for Special Studies, and Chairman of Athletic Advisory Committee for Prospective Athletes.

If this isn't enough to keep Dr. Burnside busy, he also has a talent for woodworking. Shelves and stools are his specialty. Along with his brother, about once a month Burnside sells his goods at the Fairgrounds Flea Market.

Dr. Burnside claims that anyone can learn calculus, even brown monkeys. Many MC students have taken Dr. Burnside's Calculus I class and lived to tell about it. Even students who have not had Dr. Burnside have heard of his unique personality and amusing stories.

A Tradition of . . .

Unity

1985 Founders Award
Dana Lynn Smith

The Founders Award was established in 1974 by a group of three interested alumni and is conferred annually upon the Senior, who in the judgement of a committee made up of faculty and students, has made the most significant contribution to the college in exemplifying the ideals for which the college was founded, specifically in the quality of living, in leadership, and in service. The TRIBESMAN staff is proud of Dana and her accomplishments.

Mr. and Miss Mississippi College
Harvey Ellis and Dana Smith

Mr. and Miss Mississippi College are selected each year by the ballots of the student body. Dana Smith and Harvey Ellis are the 1985 honorees.

Dana Lynn Smith is from Melbourne, Florida. As an Education major, she has specialized in Psychology and Mathematics. While at MC, Dana has been involved in a variety of activities in many areas of campus life. A member of Mortar Board and Omicron Delta Kappa, Dana has served as Laguna President and as the baseball statistician. Besides being a Sophomore, Junior and Senior Class Favorite, Dana has served as SBA Attorney and Vice President. Dana has also represented her class as Sophomore Homecoming Maid and as the 1984 Homecoming Queen. During her Senior year, Dana was elected as a Campus Beauty, President of Intertribal Council, a Hall of Fame member, and the Founder's Award recipient.

Harvey Ellis has spent his college years in many areas of campus life also. A Church Activities and Religious Education major from Noxapater, Mississippi, Harvey has been a member of the BSU and Fellowship in Serving Him. Harvey has served as a Nenamoosha Beau and Circle K Secretary. Representing his class as Freshman Vice President, Freshman, Junior, and Senior Class Favorite. Harvey has led his fellow students while serving as Attorney and President.

The cafeteria is truly a place for discussions on a variety of subjects. Lunch is the social hour of the day and many world problems have been solved there. The mystery of just what is really served in the cafeteria has not been solved. The infamous 'Mystery Meat' will remain that . . . a mystery. The cafeteria staff does add some variety with their special nights . . . Soul Food Night, Steak Night, and Italian Night.

A Tradition of . . .

Wisdom

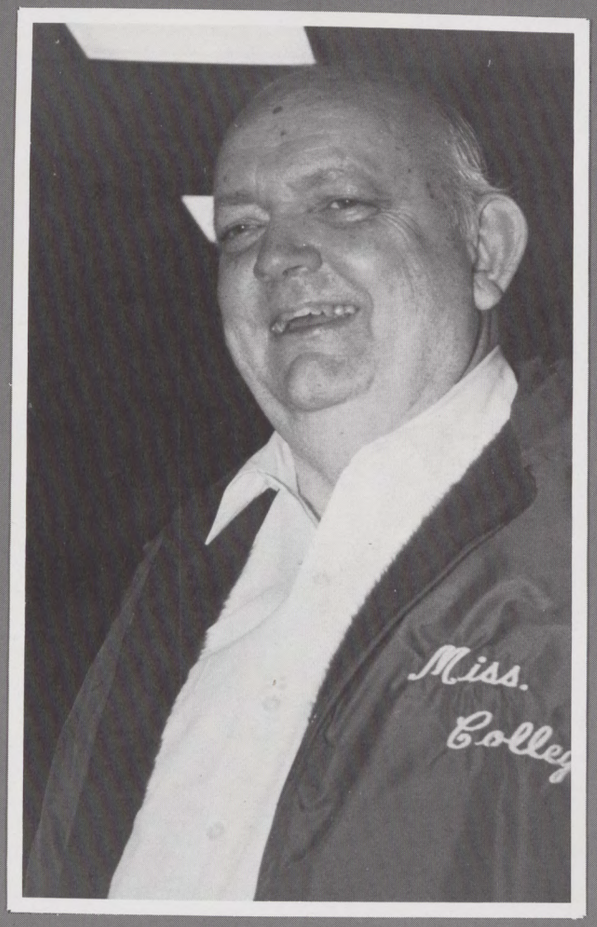

Dr. Lewis Nobles—President

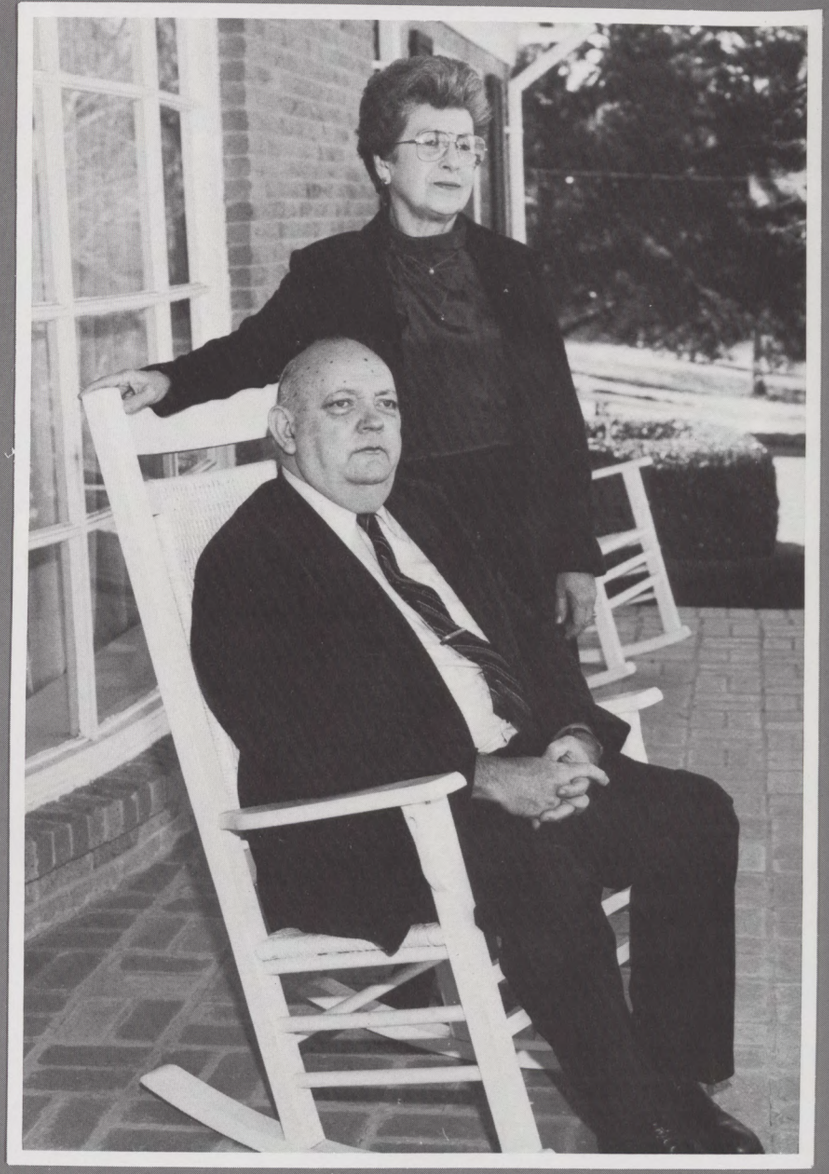

Dr. Lewis Nobles began his administration at Mississippi College in July of 1968. Since that time, many changes and improvements have been made in instruction, curriculum expansions, library additions, and plant facilities. Dr. Nobles and his wife, Joy, are both pharmacists. Dr. Nobles got his Bachelor of Science and Master of Science degrees from the University of Mississippi, his PhD. from the University of Kansas, and did post doctoral study at the University of Michigan. Dr. Nobles served as Dean of the School of Pharmacy at Ole Miss before coming to MC in 1968.

The Nobles' daughter and son-in-law, Sandra and Ben Nash, are missionaries in Africa. Mrs. Nobles earned her Ham Radio Operators License so that she could keep in touch with her grandchildren. The African government would not allow Ben and Sandra to bring their radio into the country so the Nobles were not able to use it to communicate with Sandra. Mrs. Nobles did not let it go to waste, though. Today, she allows MKs on campus to use her Ham Radio to talk to their parents who live overseas.

Dr. and Mrs. Nobles are both avid sports fans and are seen frequently at campus functions. They are active in First Baptist Church of Clinton and a variety of community organizations. Dr. Nobles is a noted public speaker and travels often for speaking engagements. Dr. and Mrs. Nobles live in the Hendrix House, and are often hosts for receptions and community functions.

Dr. Lewis Nobles is a friendly face on campus, always willing to meet and talk with students. Dr. Nobles has been highly respected and admired as a fine President of Mississippi College throughout the seventeen years during which he has served.

Cheerleaders Win At Competition

Mississippi College cheerleaders do a magnificent job keeping up the spirit of the crowd when they are leading cheers for the Choctaws. This group of students has perfected many pyramids, stunts, dances, and tumbling exercises' producing well-executed, choreographed routines.

Last summer the Choctaw cheerleaders attended the UCA College Clinic at Virginia Tech University in Blackburg, Virginia. The squad came away with four trophies. They received the first place award in Fight Song and Cheer competition, the second place award in Sideline competition, and an award as the Most Improved squad over a year's period of time. In addition, they collected thirteen blue and gold ribbons for various achievements.

During the summer, the squad also led high school and junior high school clinics. It's evident that these students work very hard in everything they do in their cheerleading capacity. They are faithful to attend long hours of practice, football games, basketball games, and those astounding pep rallies. Chief Choc, Eddie Hatchett, also does a splendid job helping to keep the spirits of the Choctaws high, and his faithfulness is to be commended.

To these extremely talented and dedicated students we say, "Thanks for a job well done."

1. Ready for the count, #78 Earl Conway has no intentions of losing ground. 2. Discussing strategy, the MC Choctaws finished their season 6-2-1. 3. Hawthorne (18) the Choc's quarterback, was good on 20 of 23 extra point attempts.

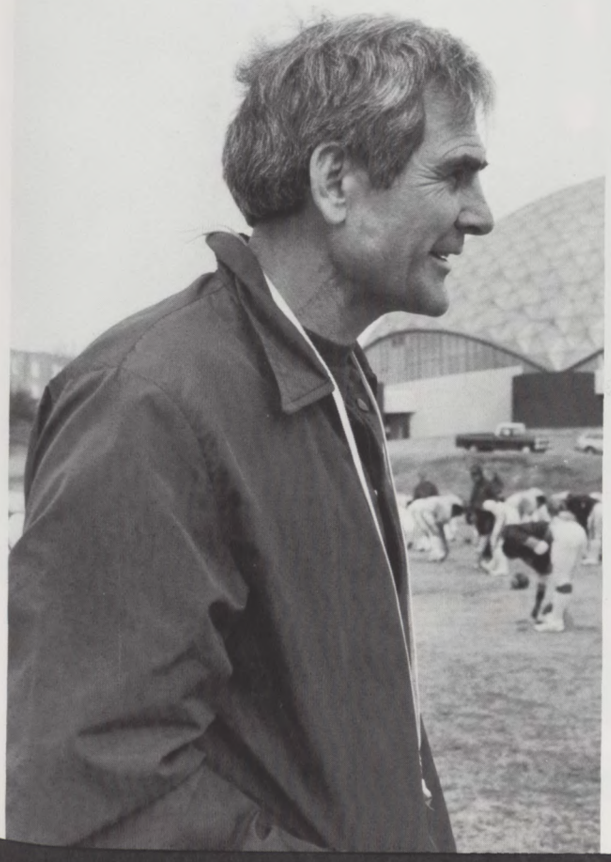

2

The fearless fighting Choctaws of Mississippi College, under the direction of Coach John Williams, looked toward their season enthusiastically and optimistically.

The Choctaws opened their 1984 season at the University of North Alabama on September 8. With Reggie Hawthorne as their new quarterback, the Choctaws were ready to take on the Lions. MC's rushing game was stalled by the Lion's tough defense. As the 4th quarter approached, the Lions led 24-17. With 10 seconds remaining in the game, Hawthorne's passing game took hold. Hawthorne quickly moved the Chocs from their own 31 to the Lion's 15 yard line. With the clock winding down, Hawthorne hit Tony Eddins in the end zone with the tying touchdown. Unfortunately, Hawthorne's PAT was blocked by the Lions and the score remained tied up at 24-24.

On September 15, the Chocs traveled to Southeastern Louisiana University where they came up against the SLU Lions. Despite several attempts to score in the 1st half, MC trailed SLU, 6-0. However, late in the 4th quarter, MC was saved by defensive player, Bruce Howell's interception of a pass by SLU's quarterback. Bruce Wilson scored on a 1 yard plunge with 1:40 left in the game. Reggie Hawthorne's successful PAT assured the Choctaws a win against SLU with a score of 7-6.

The 1st home game of the season was against UT-Martin on September 29. After a scoreless 1st quarter, MC came back with a punt return of 69 yards by Mike Fields. Before the half ended, Hawthorne had dashed into the end zone from 8 yards to give the Chocs a 14-0 lead. Although the Pacers came back and scored 10 points in the second half, the Choctaws offense soon came alive. Fourteen points were scored in the 4th quarter by a 1 yard run by Clyde Shelley and five yard touchdown from reserve quarterback David Hoppe to tight end Harold Stanfield. MC's defense held back the Pacers for the remainder of the game with the Chocs defeating the Pacers, 28-10.

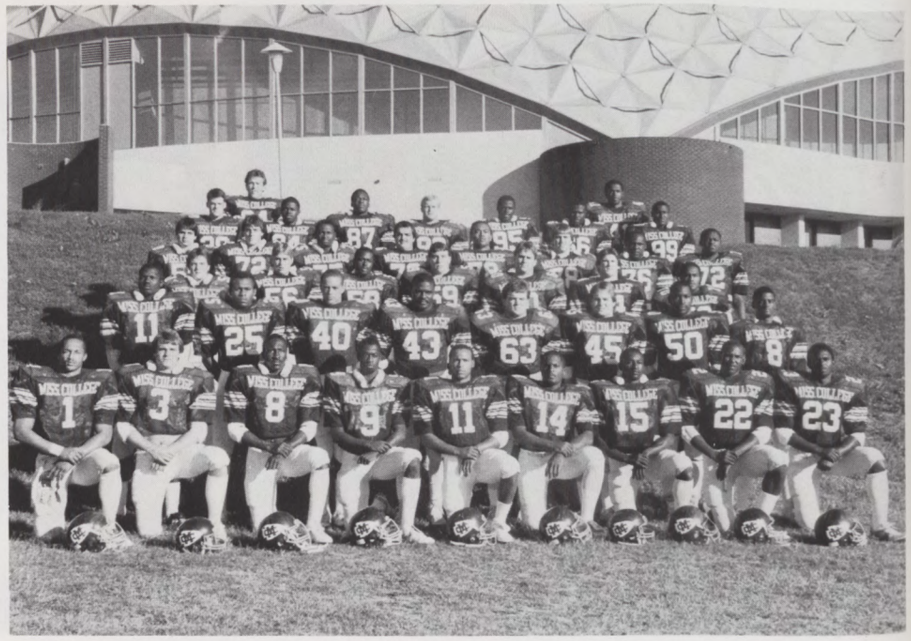

Chocs are it!

When asked about his feelings about the season, Head Coach John Williams replied, "It was a very nice feeling knowing that we were in a position to possibly win the championship; then we were dissappointed because we didn't. The 7-14 loss to Troy, who won the National Championship, was especially heartbreaking for we played well enough to win. The loss to Delta was also dissappointing but in a slightly different way. We played as well as we possibly could. Delta State just played fantastic. They performed as pros and were unbeatable, but I feel we could have beaten them any other time."

Coach William's goal for next year is to "win it all with no reservations." For the last three years the Chocs have been, to coin a common phrase, so close but yet so far. Each time they have placed second with 8-3,8-3,6-2-1 records respectively. The Chocs have a relatively young team and have a good chance to accomplish their goal. The only question is: Who is going to be quarterback?

On October 6, MC traveled to Jacksonville State University to defeat the Gamecocks on Homecoming Day in Jacksonville, Alabama. After 2 fumbles by MC's offense, the Choc's Charles Young scored. After Hawthorne's successful PAT, the Choctaws recovered a fumble and scored again with a run by Clyde Shelley. Later in the 3rd quarter, a 15 yard scamper by Young and a pass to Harold Stanfield rounded out the scoring for the day. This was the first time in 38 years that the JSU Gamecocks had been defeated in their Homecoming contest.

The tops in Division II football came together on the 13th of October as the Troy State Trojans were hosted by the MC Choctaws. The 2 teams, undefeated in GSC play, collided in hopes of winning a key GSC victory. Defense ruled the game during most of the 1st half until quarterback Hawthorne's 7 yard pass to tight end Harold Stanfield put MC on the scoreboard. With only seconds remaining in the half, a successful PAT boosted the score to 7-0. During the second half, the Choc's game wasn't as beneficial. After a number of traded punts and turnovers, the Trojans scored 14 points. The 14-7 lead, that was held to the end of the game, gave the Trojans a sure GSC lead.

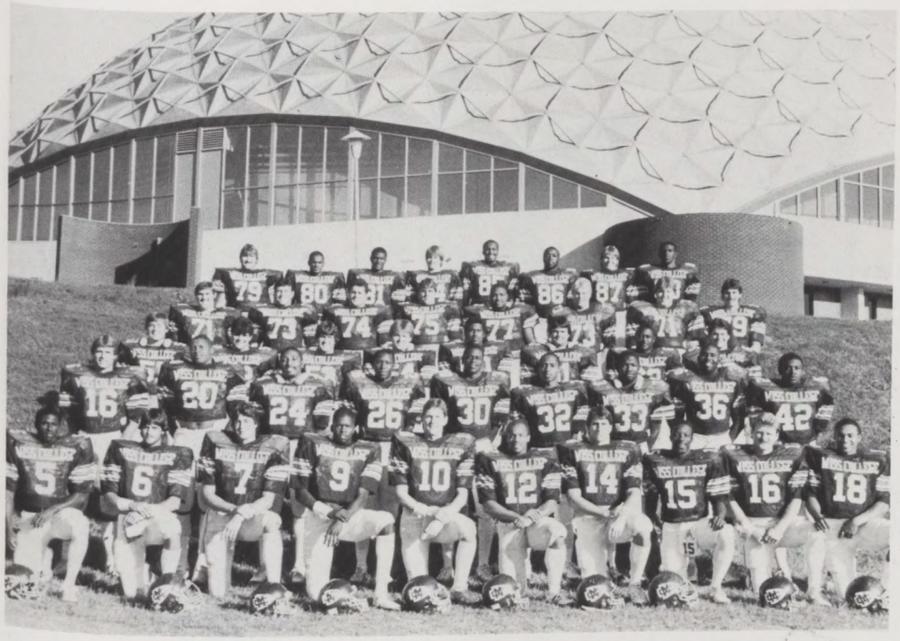

The MC Choctaws traveled to Livingston, Alabama, October 20 to defeat the Tigers with a 35-7 revenge-filled triumph. The Choctaw 1983 loss to Livingston knocked the Chocs out of the number one spot in NCAA Division II rankings. Early in the first quarter, a Hawthorne to Eddins combo gave Mississippi College a 7-0 edge. The Chocs added to their lead with a reverse handoff to tight end Harold Stanfield. On MC's first possession in the second half, Charles Young carried the ball two yards to score once more for the Choctaws. Livingston finally got on the board with a two yard run by Truelove in the third quarter, but the Chocs regained the momentum with the two punt returns by Mike Fields leaving the final score 35-7.

October 27 proved to be a great homecoming. Mississippi College smashed West Georgia with a 52-24 victory. Playing a young inexperienced struggling team, the Choctaws were shocked at the Brave's readiness to play. At the half, West Georgia led 17-16 and the defense had discovered quickly that you are only as good as you play. The offense had a better than average night, and again the special teams did well with the punting team doing great. Michael Fields had several fine returns with one 60 yards for a touchdown. He gained the nations lead in punt returns. Reggie Hawthorne was named Gulf South Offensive Player of the Week for the second time this '84 season.

The Choctaw's defense used a smothering attack and the offense employed a trick play to carry the Chocs to a 10-13 victory over Valdosta State College on November 3. The trick was executed by quarterback/kicker Reggie Hawthorne, who was in usual punt formation on fourth-and-nine in the second quarter. This time, however, he did not punt, he threw a 29 yard pass to Kenny Hudson for a first down. A few plays later, Hawthorne carried the ball into the end zone to give the Chocs a 7-3 lead. This lead stretched to 10-3 in the third quarter when Hawthorne kicked a 20 yard field goal to round out the scoring for the night.

Before a packed crowd of 6,000 at Robinson Field, the Mississippi College Choctaws faced the most powerful offense in the GSC, the Delta State University Statesmen. With a victory over Delta State, MC hoped to regain the Heritage Bell Trophy, a symbol of our intense rivalry. The Chocs fell behind 23-6 in the first half as the Statesmen dominated every aspect of the game. The third quarter saw a brief rally by the Chocs. They boosted the score 23-21. However, before MC could score again, Delta regained control and scored, jilting the Chocs 30-21. MC's loss ended a fairly successful season with a 6-2-1 overall and a 5-2-1 GSC record. MC tied Delta State as second in the GSC.

1. Russ Robinson, Dennis Stringer, and Greg Miles are stunned during the MC vs. Troy game. 2. Scott Green and Reggie Hawthorne put many hours of practice in every week to be the finely tuned machine that they are. 3. Tommy Hillman (59), Earl Conway (78), Robert Nye (64), and Marshall King (99) are always there to defend the Choctaw end zone.

Soccer coach David Balyeat, being a missionary kid, lived for 15 years in Argentina. His love for soccer began there and continued when he came to the United States for college at the age of 19. Balyeat played soccer while attending Dallas Baptist College where he received his Bachelor of Science degree. He moved to Clinton two years ago and is now completing his requirements for teacher certification, and coaching our MC Soccer Chocs.

"The program was fading when I came to MC, and I had the chance to pick it up. I hope to do a lot with a little," says Balyeat. He wants to maintain the club and move forward as soccer becomes more accepted across the South as a sport. Coach Balyeat states, "I really like working with the team, helping college guys find out what they really want to do in life, making a difference. MC is the place for me. It takes a special person to go here, and Mississippi College is a special place."

Coach Doug Hines is proud of the 1984-85 Choctaws. According to Coach Hines, "We have had a good season considering that the Gulf South Conference is tougher than ever before and that we unexpectedly lost two starters at the beginning of the season."

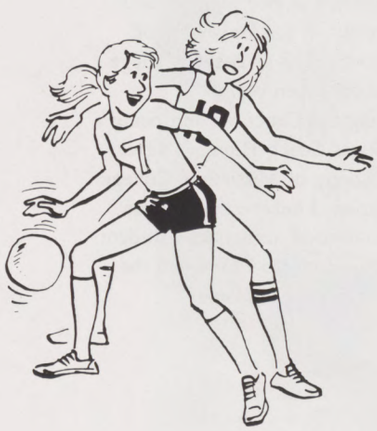

Doug Hines is in his twelfth year at Mississippi College. Born in Science Hill, Kentucky, he received his undergraduate degree from Eastern Kentucky University and advanced degrees from Indiana University. Before coming to MC in 1973, he coached at two high schools and a Junior College in Kentucky, at the University of Kentucky in Lexington, Kentucky, and at Bethel College in Tennessee, where he stayed for seven years.

Coach Hines enjoys coaching the Choctaws and being a part of Mississippi College. States Coach Hines, "I agree wholeheartedly with the philosophy of Mississippi College, that of Christian higher education. I believe that players should be of high character and good academics—student athletes. And that is the quality of player I have had the opportunity to work with at Mississippi College."

Coach Rita Easterling, originally from Morton, Mississippi, is a Mississippi College graduate and former MC Lady Choc. After graduating Ms. Easterling went on to play for three years in the Women's Pro League in Chicago. She came back here as Assistant to Coach Smith, and stepped in to his Head Coach position when he left. While a Lady Choc, she had thoughts of one day returning to Mississippi College. "It was always in the back of my mind that one day I'd like to come back and coach. I wanted to build the program back up where it was when I was here. We went to Nationals three of four years, and were a top notch team," says Coach Easterling.

The Lady Chocs have done well under Coach Easterling, and are continuing to improve. "We are playing good team ball now, working together and supporting each other, and I look for an even better season next year," stated Lady Choc Coach Rita Easterling.

Track Coach Billy Lamb, originally from Meridian, Mississippi, is in his sixth year at Mississippi College. Coach Lamb was a music student at MC but graduated from Northeast Louisiana.

He received his Masters of Education degree from the University of Kansas. Before coming to MC, he has coached high school track teams in Oklahoma, Alabama and at Livingston University in Alabama.

Perhaps Coach Lamb is best noted for his work at Waterways, in developing the cross country facility. "Being a runner, I was always looking for a place to run," says Coach Lamb. The waterways course is the third he has built, and the best course anywhere.

Because of the efforts of Coach Lamb and the quality of our cross country course, the NCAA Division II Nationals were held here this year; the first time ever in the South.

FRIERSON

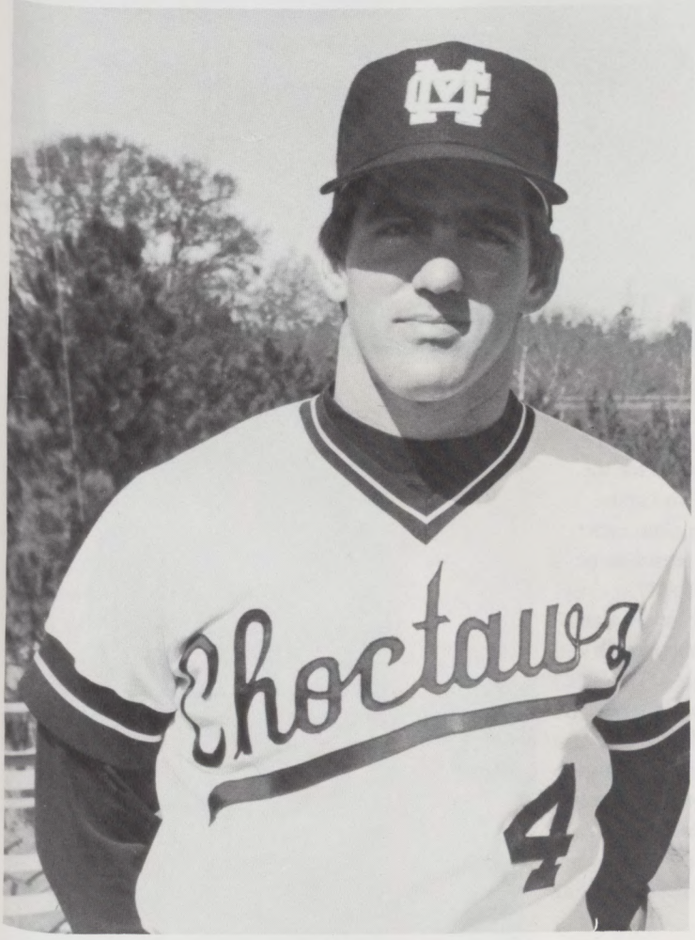

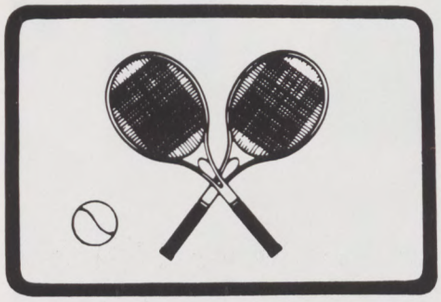

"Take Me Out to the Ballpark" seems to be the cry in the springtime. Baseball has long been an all-American tradition and a favorite one at that. Students at Mississippi College don't have to go far to share in this good ole American game, for it is played at its best in our own backyard.

Frierson Field is the home of the baseball Choctaws. Under the fine coaching of Tom Gladney, the Choctaws show their skill on the baseball diamond. Gladney, an alumnus of Mississippi College, served as assistant coach for the Choctaws under then head coach Don Skelton. With Skelton's departure, Gladney became head coach. There couldn't have been a better choice.

Good baseball . . . the tradition continues at Mississippi College.

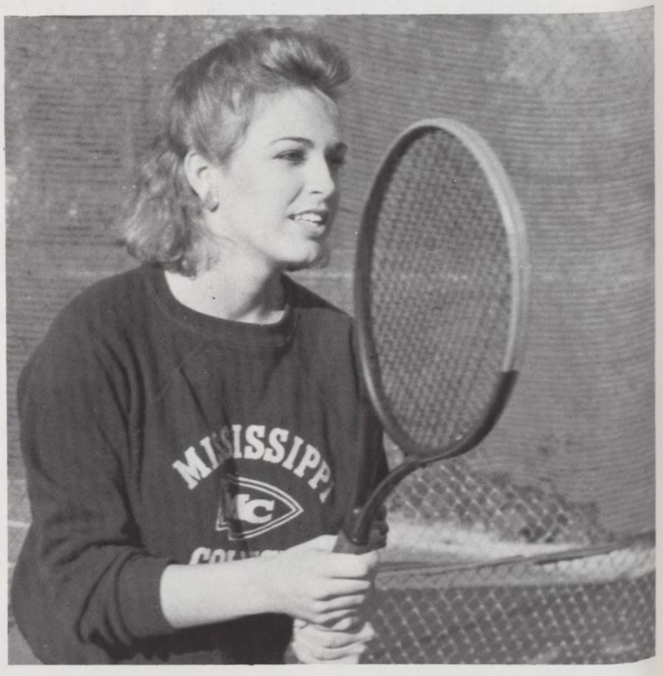

Learning to be the Best They Can Be—Tennis

TENNIS TEAM: Rowanna Pope—Coach, Denise McLemore, Gigi Rogers, Amy Patterson, Leah Oberschmidt, Frances Davis.

The newest member on MC's coaching staff is Coach Rowanna Pope. Her responsibilities include head tennis coach and assistant in women's athletics. Coach Pope is a 1980 graduate of Mississippi College. She was one of the first in MC's history to letter in three women's sports while attaining her degree in Physical Education. Some of her honors consists of the following: Most Valuable Player in all three sports, All State for two years, Cassandra Fairchild Award, National Women's Invitational Tournament All American, and finalist for the Margaret Wade Trophy.

After graduation, Coach Pope played women's professional basketball for the St. Louis Streaks. "I wanted to come back to MC because it's my alma mater and I have pride in it. I am proud to be a part of it again," stated Pope.

The new tennis coach has many plans for her team and wants to accomplish many things while she is here at Mississippi College. Her main goal is "to help her players to be the very best they can be." She says, "This is the most important thing because a team can only be its strongest and best when each member is her strongest and best."

Five of the Top Twenty Golfers

GOLF TEAM: Tommy Hebert, Woody Cowart, John Hanson, Jay Jordan. Not Pictured: Bill Flowers

"The MC golf team is doing extremely well," states Coach Ricky Herzog. The five members of the golf team have placed second in two separate tournaments this year, against fifteen Division I teams at the Southeast Louisiana Invitational and against twelve teams at UT at Martin. The team practices each day at Live Oaks golf course. "I just try to locate good golfers. Each member of this team knows his game better than anyone else, and corrects his own mistakes. They are five of the top twenty golfers to play in Mississippi in the last twenty years," said Coach Herzog.

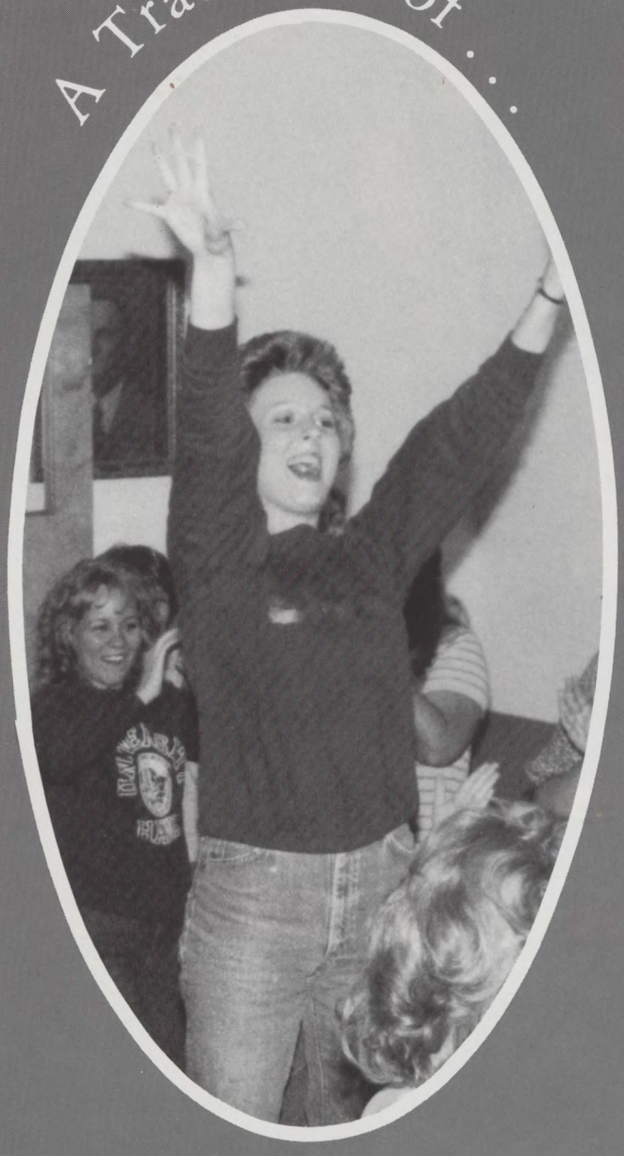

Ricky Herzog, originally from Mobile, Alabama, coached high school in Linden, Alabama, before returning to his alma mater four years ago. A Physical Education major at Mississippi College, Herzog never really thought about returning to MC. Glad to be back, however, Herzog also enjoys being the defensive coordinator of the MC football team.

STUDENT BODY OFFICERS: Dana Smith, Eddie Donahoe, Anna Hamilton, Harvey Ellis, Beth Baker, Kevin Humphreys, Tina Leonard, Art Stevens

To the Student Body:

It has truly been a joy to serve you as your SBA President for the past year. The experience that I have had this year in this capacity will stay with me always. I just want to say 'Thank you' for helping make this possible for me at MC.

As I look back over the year, I see the special events and special people who have made this year a success. We have had a successful year at MC, but success is measured by the individual, and I sincerely hope as you look back, you clearly see the successful aspects of this past year. The student body is different here because the people are different here! We have one of the finest institutions in the United States and I'm happy to be associated with this fine school.

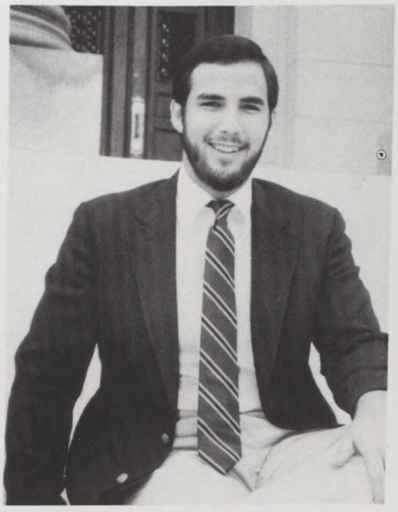

As I leave MC, I am reminded of the quality education that I have received academically, socially, and spiritually. I trust as we leave MC we will take this with us and be the person that God would have us to be. Good luck in the future and may God Bless you!

Sincerely,
Harvey Ellis

Senate

The Senate, presided over by the SBA vice-president, is composed of representatives elected from the dormitories, from Clinton, and from Jackson. The Senate elects a president pro-tem, parliamentarian, chaplain, and sergeant-at-arms. It acts in the interest of the student body in the formation of constitutional law.

SENATE: Row 1 Anna Hamilton—Clerk, Suzanne Prince, Jenni Burge, Angela Smith, Sonya Runnels, Bae Brock. Row 2 Penny Pollard, Carley Causey, Lee McHann, Melanie McMinn, Kitty Village. Row 3 Art Stevens—President, Jay Hinton, David Breckenridge, Rodney DePriest, Tim Atwood, Dennis Atwood. Row 4 Mark Veal—President Pro-tem, Jeff Jones, Stan Alexander, Drew Blackburn, Allen Hickman, Jay Albright, Mike Hickman, Ronny Young, Paul Brashier.

MEN'S AFFAIRS BOARD: Row 1 Van Savell—Vice Chairman, Eddie Donahoe—Chairman. Row 2 Mike Melchiore—Secretary/Treasurer, Jeff Guynes—Ratliff President. Row 3 Tony Benson—Chrestman President, Roger Lamb—Freshman Representative. Not pictured: Rusty Thaggard—Whittington President.

The Men's Affairs Board is not only responsible for the discipline of all male students, but is also responsible for the enrichment of life for the male students. This is done by the showing of movies in the dorm lobbies, Christmas parties for the dorms, and other activities. The Men's Affairs Board along with the Women's Affairs Board meet together and set the dates for open dorms. The Men's Affairs Board is composed of seven members: Chairman, Vice-Chairman, Secretary/Treasurer, Presidents of each male dormitory, and a freshman representative.

Judicial Council

JUDICIAL COUNCIL: Row 1 Kevin Humphreys—Chief Justice, Natasha Shirley, Beth Raley—Secretary, Robyn Douglas. Row 2 Steve Watson, Rusty Price, George Tyson, Tommy Hughes. Not pictured: Mark Cook—Sergeant-at-Arms.

The Judicial Council is patterned after the U.S. Government's three branch system. The purpose of the council is to interpret and apply laws that are printed in the TOMAHAWK. Along with the Chief Justice and Associate Justices on the Judicial Council there are two members who are not constitutionally sanction, which are a clerk and a sergeant-at-arms. This year the council has striven to achieve professionalism in their duties and responsibilities to the students of Mississippi College.

Women's Affairs Board

The Women's Affairs Board works with the Dean of Women to hand down discipline to female violators of the school rules and regulations. The board oversees the dormitories with regards to students living in them. The board also reports any breakdowns or malfunctions in the dormitories to Maintenance. Not only is the Women's Affairs Board a governing body for female students, the members of the WAB also participate in and help organize campus events.

WOMEN'S AFFAIRS BOARD: Row 1 Beth Baker—Chairman. Row 2 Amy Patterson—Gunter President, Shawn Cashion—Secretary. Row 3 Tami Doleac—Vice Chairman, Suzanne Powell—Hederman President. Row 4 Dina Sartor—Mary Nelson President, Maura Harrell—Treasurer.

Alpha Chi

Alpha Chi is a coeducational society whose purpose is to promote academic excellence and exemplary character among college and university students and to honor those who achieve such distinction. Membership in Alpha Chi recognizes previous accomplishments and provides opportunity for continued growth and service. It seeks above all else to serve the needs of the students who comprise its membership. Alpha Chi seeks to find ways to assist them in "making scholarship effective for good."

A Tradition of Excellence.

The 1984-85 school year has truly been a year full of events and people to be remembered for a long time. To be a part of and continue MC's tradition of excellence has been the goal of the 1984-85 TRIBESMAN which is a yearly publication designed to capture MC life in pictures and words so that these memories will not soon be forgotten.

The work on the TRIBESMAN begins about 15 months before it is printed and is done by a relatively small, but very dedicated group of students. The staff attempts to keep abreast of current yearbook trends and implement them in the TRIBESMAN. Staff members are needed to write articles, type, interview, draw and design layouts, schedule, take, and develop pictures, and sell ads.

The TRIBESMAN is financed from a portion of the student activity fee and by the selling of ads and organization spots. All full-time students are eligible to receive a copy.

Student publications play a great part in the extracurricular activity on campus. The school newspaper, the literary magazine, the handbook, and the annual are factors of college life. They not only assure the student reading pleasure, but they also preserve the joys of college life in the permanency of print.

The Publications Council interviews and elects the editors and business managers of student publications. The Council has the authority to coordinate student publications and to deal with matters and problems concerning publications.

Inter-Tribal Council

INTER-TRIBAL COUNCIL:
Row 1 Kim Davis—Secretary, Christy Taylor, Gina Allen—Vice President, Sherry Smith. Row 2 Robyn Douglas, Vicki Munn, Dana Smith—President, Kathy Heath—Publicity Chairman.

Nancy Myers

The Inter-Tribal Council coordinates Inter-Tribal relations, their purpose being the maintenance of high social standards on campus. Activities of Inter-Tribal include welcoming incoming female freshmen and transfer students, sponsoring the General Rush party, helping out with coke parties, and Squeal Night.

The Council regulates tribal activities such as rush, pledging and initiation of members. Also, Inter-Tribal works out any conflict that should arise between tribes.

The Inter-Tribal Council is composed of the President and Vice President of each social tribe on campus. The council elects its own officers to provide leadership, along with Nancy Myers who serves on the council as faculty sponsor.

Kissimee is . . . a pink carnation, a shiny silver pin, pale pink elephants and loving friendships. Kissimee is also a busy schedule and lots of fun. Work began early in the summer on favors and fun for the rushees and their "New Beginning." On Squeal Night, KT slipped pale pink bids to very special pledges who were later united with their big sisters at a famous pairs party.

All Kissimee actives have enjoyed a year packed with activities including: the annual Mother/Daughter luncheon, a trip on Halloween day to the terminally ill children's wing at University Hospital, a Circle K swap on Halloween eve, a Christmas party shared with NT, a Crush party on Valentines Day, a "Paint the Town Pink" formal, a spring break trip to Florida, our annual Dad-Daughter dinner, and the list goes on!!

Through all the busy activities each Kissimee grows socially and spiritually. There are always the unity and bond of Christian love between the girls, and the evidence of our Kissimee ideals. As we sing in our Kissimee song each week . . . "when we are parted and gone from here, we'll remember these happy years—KT tribe."

This is Laguna . . . Wonderful Rush Parties, Fun Formals, the Annual Rock-a-Thon for Muscular Distrophy, Air-Band Entertainment, and much, much more. Laguna emphasizes the uniqueness of each member. By working in Laguna, each member is strengthened socially, intellectually, physically, and spiritually. We want each one to look in the "mirror" and find the REAL you.

Laguna strives to show Christian love and warmth to each other and to the community. Money is raised for needy families at Thanksgiving and Christmas. Laguna uses the flowering potential of each member to its fullest benefit.

The colors of blue and white represent Laguna along with the blue carnation. Precious mice, both big and small are her symbol. In the end, the goal of Laguna is reached in providing girls with a well-rounded social life by developing poise, personality, grace, leadership, and most importantly, Christian ideals.

Nenamoosha is red hearts, roses, and of course, teddy bears. NT started the year with "The Enchanted Forest" and continued with a hayride, a "Come as You Were" Swap with Civitan and a Traditional Christmas Formal.

Reaching out to care for others is also an important part of Nenamoosha. Service projects have included trick-or-treating at the University Medical Center, collecting canned goods for a needy family at Thanksgiving, having a tribal grandmother at Care Inn Nursing Home and a Teddy Bear Christmas at Clinton Public Library.

Nenamoosha emphasized leadership and the development of personality and characeter. The songs "Happiness," "Everything's Coming Up Roses," "Love Is" and "People" strengthen the message of the love and unity that are Nenamoosha.

NENAMOOSHA: Row 1 Suzanne Gonzales, Patti Pittman, Judy Shanks, Dianne Claypool, Marianne Savell, Tami Doleac, Beth Baker, Becky Taylor, Vicki Munn, Kim Davis, Wren Batson, Lynn Waits, Karen Gough, Becky Montgomery, Jennye Davis, Suzanne Powell, Harvey Ellis, Sean Milner. "The best things come in small packages." Swannanoa may be small, but it doesn't lack enthusiasm. Unlike the old image implies, Swannanoa girls are no longer "bookworms." We are excited and enthusiastic about the year. With a great group of rushees who are sincere about making ST bigger and better, we are on the move.

Rush started the year off with an invitation to meet "The Family." With the rushees came a new addition to our family—a baby beau! Jeff, our newest, along with Tommy, Brad and Tim, is fired up about Swannanoa.

The best word to describe Swannanoa this year is changing! Changes include the addition of the cute and cuddly bunny rabbit, along with the owl as mascot and more activities in the tribe as a whole. Swannanoa won second place in the phone-a-thon, entered a float in the Homecoming parade, and had two representatives in the Miss MC Pageant. One of the biggest events of first semester was our "2 + 2 Holiday Bash" held at Holiday Inn Downtown. Upcoming plans include spring formal, a road trip, a pinning ceremony, our annual canoe trip, and a Big Sis/Little Sis Banquet.

As you can see, Swannanoa is definately on the move. We are growing physically, intellectually, and spiritually, as symbolized by the green color. The white carnation represents purity; the owl, wisdom, and the rabbit, innocence. Our sisterly love, a reflection of God's love, is the strong bond that unites Swannanoa girls. Swannanoa is a special group of young ladies growing in love.

Mississippi College Civitan is a member of Civitan International. Civitan offers young men opportunities for service in their community and fellowship with other students. The primary objective of the M.C. Civitan Club and its members is SERVICE.

Civitan is involved in many service projects throughout the year such as the spirit run to Livingston University for the Mississippi Lung Association. They work with M.P.&L. in weatherizing houses, work with Special Olympics, and tutor at Clinton Junior High. They maintain the swings on campus, and fly flags throughout Clinton on federal holidays. A new project this year, besides removing "the stump" from the hill, is the sponsorship of a young boy named Paulo through the Christian Children's Fund. Whether through social activities or service projects, Civitans are building character and having fun.

STUDENT NATIONAL EDUCATION ASSOCIATION: Row 1 Jan Hammack, Lynn Waits, Melinda Runion, Jana Burge. Row 2 Darlene Hill, Dr. James Sullivan, Dr. Margaret Carmean.

The Student National Education Association is an organization composed of students in the field of education. Its purpose is to develop men and women as capable teachers and to instill the understanding, knowledge and appreciation of the practices of the teaching profession.

Student Nurses Association

STUDENT NURSES ASSOCIATION: Row 1 Margaret Waterbury, Melanie Butler, Tammy Sistrunk, Susie Temple. Row 2 Rhonda Burnside, Tammy Worthy, Lynda Brown, Gina Murphy, Julie Allen, Robbie Carter.

Members of the Student Nurses Association are those students who have chosen professions in the field of Nursing. Through S.N.A an opportunity is available to enhance one's understanding and experience, as well as leadership in the field.

Lab School

The Mississippi College Laboratory School enrolls children who are three, four, or five years old and will not be six before September 1 of the school year. Enrollment is limited to 16 children for each class. It is a half-day session housed in the Home Economics Department, Cockroft Hall, Mississippi College campus. Nursery School is the morning session and Kindergarten is in the afternoon. Students from various academic areas across campus including Psychology, Home Economics and Education, spend time observing and participating in the Lab School program. Therefore, the purpose of the Lab School is two-fold: to provide a learning environment for the children and to provide a learning situation for the college students.

Alpha Mu Gamma

Alpha Mu Gamma is the honorary foreign language society for those students maintaining high grades in the field.

This exquisite territory; so many people yearn and strive to live on; is ONLY accomplished by so few in the many years this land has existed. The men in this picture are the hope that America has been searching for. As Overlord of this enchanted area, I ONLY hear people across the campus of Mississippi College speak in awe and praise of these fine and brilliant men from 3rd Ratliff. The years as Overlord have taken their toll; I, Overlord Rat, resign my Overlordship to the next Overlord, that ONLY the Lady herself, 3rd Ratliff, will know and choose this unique and graceful human being. The chant that has echoed across the campus of Mississippi College for many years, is as powerful today as it was in the old days, "3rd Ratliff, The Legend, LIVES!!"

—Overlord Rat

The Specifics

The 1985 TRIBESMAN was printed and bound in Montgomery, Alabama, by Herff Jones Yearbooks. The 208 pages of Bordeaux 80# paper include 1 flat of Multicolor Plus and 2 flats of spot color background (HJUC2). Endsheets are Ice Blue VC 13 stock.

Headlines and subheadlines throughout the book are 30 point and 18 point Garamond style (except Organization headlines which were 24 point). Body copy is 10 point and caption copy is 8 point. The cover is Antique Blue 1079 with Spanish grain. The picture is a Black and Rust (#471) duotone tip-on. The oval (die #8891) and letters are screened in Gold #16. The border is die #9007. 1300 copies were printed.

Dr. Doris Graves for being willing to learn how to sponsor a yearbook.

Debbie Kennedy, Customer Advisor at Herff Jones Yearbooks in Montgomery, Alabama, for doing her best to see that this yearbook was produced on time and according to our specifications

Mr. Bill Benson, salesman for Herff Jones Yearbooks, for meeting with the staff during the summer to have contracts signed; for keeping us informed of the progress being made at the plant.

Don Gaddis at Southern States Images for taking all class and faculty pictures; for printing Hall of Fame, Founders Award, Dedication and other pictures.

All club presidents and sponsors for being so helpful in scheduling club pictures.

Dr. and Mrs. Dean Parks for being supportive of my decision to edit the TRIBESMAN a second year.

Thank You

Mississippi College . . . A Tradition of Excellence.

Excellence has always been a part of Mississippi College and the 1984-85 school year was no exception. A new degree, Administration of Justice, was added to the curriculum this year. MC students will now be better prepared to enter the highly acclaimed MC School of Law. Plans were firmed up to build a new football stadium for the Choctaws' 1985 season. Mortar Board, a Senior honorary society, hosted the National Convention. Held on campus, the convention brought many southern Mortar Board chapters together.

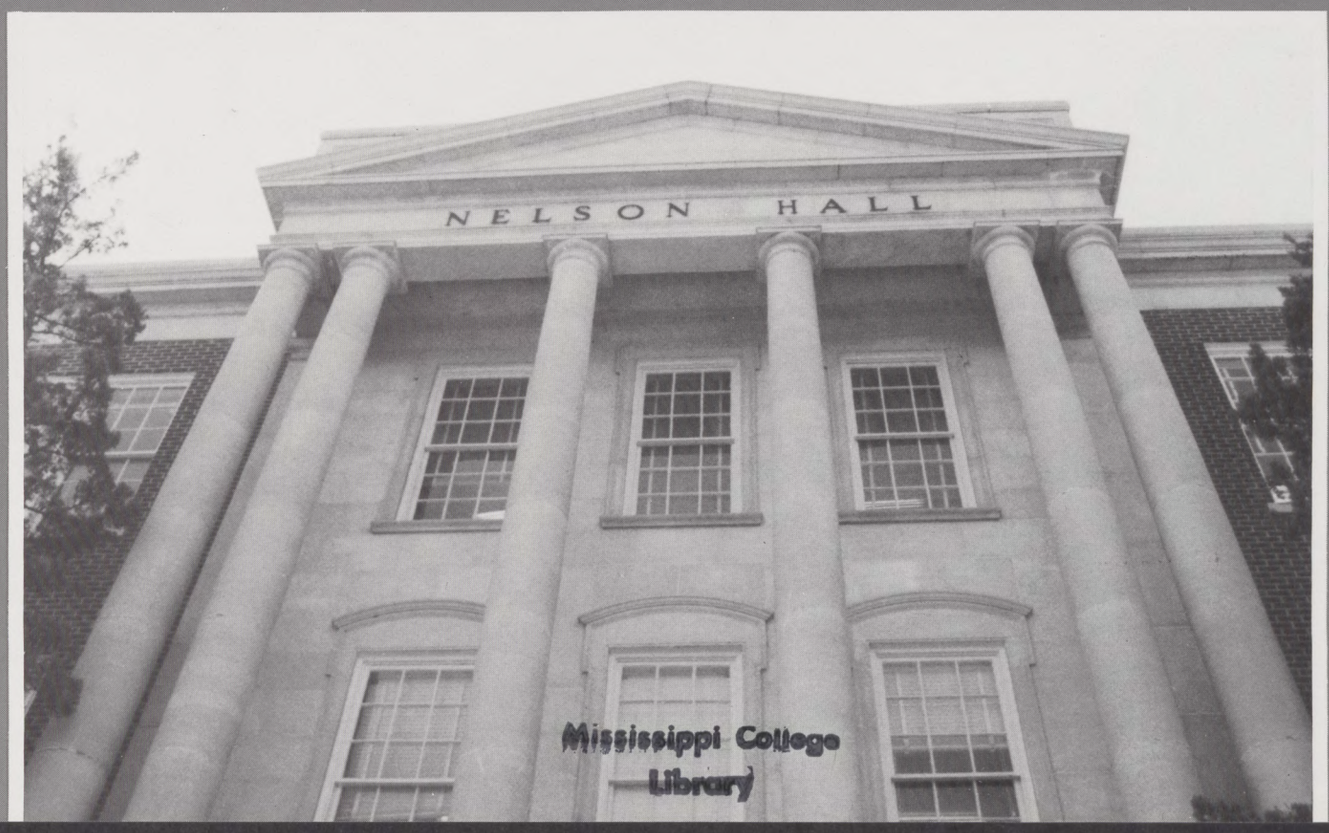

The TRIBESMAN also has improved. Last year's 1984 TRIBESMAN received a 3rd place award in the Columbia Scholastic Press Association and a 1st place award in the American Scholastic Press Association. One of the hardest challenges of editing the 1985 TRIBESMAN was improving over last year's book. Over 1400 pictures are included in these 208 pages. In addition, there are close to 1000 more pictures that were developed but not used. For each of these 2400 pictures, there were at least 5 pictures taken. This means that our photographers took at least 12,000 pictures! It was also amazing how many different problems occurred this year as opposed to last year. Somehow a solution to all problems was found.

Mississippi College students are among the top students in the nation. Alumni have gone on to become not only state leaders, but national leaders as well. This record of excellence will not soon change. Many of your college classmates will go on to change and improve the country we live in.

As we all go our separate ways, never forget to remember your alma mater, Mississippi College. MC's tradition of excellence will continue to grow. Be proud. Your participation in Mississippi College has shaped its future and given future students an institution to be proud of.

Mississippi College . . . A Tradition of Excellence.
